

OYSTER BAY MARINE CENTER

2024-2025 WINTER STORAGE & SPRING COMMISSIONING AGREEMENT

PLEASE COMPLETE AND RETURN THE BELOW AGREEMENT ON OR BEFORE OCTOBER 1ST TO RESERVE YOUR REQUESTED LAUNCH DATE AND HELP US PLAN ACCORDINGLY IN ORDER TO ENSURE A SMOOTH HAULING AND LAUNCHING SEASON.

OWNERS NAME _____ **BOAT NAME** _____

Mooring / Slip # _____ Boat Length _____ Boat Beam _____

Address _____ Boat Manufacturer / Model _____

Town _____ Year _____ Boat Type: Power / Sail _____

State _____ Zip Code _____ Key or Combo _____

Phone _____ Insurance Carrier _____

Email _____ Policy Number _____

REQUESTED HAUL WEEK _____ **REQUESTED LAUNCH WEEK** _____

Haul and launch weeks will be assigned by OBMC based on availability. There is a limited number of boats that can be launched per week in the Spring - boats will be assigned and confirmed on a first come, first serve basis once OBMC receives your completed contract and deposit. Haul and Launch dates may be affected by weather or force majeure events that are in no control of OBMC.

OBMC WINTER STORAGE INCLUDES

- Hauling / Pressure Washing
- Blocking and use of boat stands
- Bottom Painting & Supplies*
- Launch in Spring

* Bottom preparation, painting, paint & supplies includes industry standard dry sanding/scraping preparation, one coat mid-grade paint, industry standard painting supplies. Any specialty preparation, paint or supplies will incur a surcharge on the winter storage rate. Centerboards, outdrives, running gear, intakes and other appendages will be charged additionally. Bottom Prep and Painting can only be done by Oyster Bay Marine Center.

Oyster Bay Marine Center Terms and Conditions

- The following are the terms and conditions between Oyster Bay Marine Center ("OBMC") and you, the boat owner ("Owner"), for the winter storage and launching season from October 1, 2024 through June 15, 2025. By signing this Agreement, Owners agree to be bound by the following terms and conditions.
- Haul and Launch dates will be assigned by OBMC based on the dates requested by Owner provided a signed Winter Storage Agreement is received by OBMC by 9/15/2024. If no specific request is given or the Winter Storage Agreement is not received by 9/15/2024 then OBMC will schedule launch date at its discretion. Haul and Launch dates may be affected by weather or force majeure events that are in no control of OBMC. No boats that are in arrears will be put into the haul or launch schedule unless customer accounts are current. If a customer boat who is in arrears must be relocated in order to launch other boats, then the relocation fee will be charged each time the boat needs to be relocated and will be charged at the time of relocation.
- Payment in full for all services rendered, including subcontractor fees, is required before the vessel is launched or allowed to leave the marina.
- Due to summer parking requirements all vessels must be launched or scheduled to launch by JULY 1, 2024. Summer Land Storage is May 15th –Sept 15th and will be billed by early June. Vessels moved to accommodate parking or for failure to meet launch schedule date will be charged a Relocation Charge at the prevailing rate.
- Owner shall carry hull and liability insurance on their boat. OBMC is not responsible for any boat, its contents or equipment in the event of loss or damage whether due to theft, fire, vandalism, act of God or otherwise.
- Outside Contractors: Owners and their immediate family are allowed to work on their boat. Any independent contractor you wish to work on your boat must first get permission from OBMC in advance and supply OBMC with a certificate of insurance for worker's compensation and liability with coverage. Any such work by independent contractor's must be billed through OBMC with a 20% fee for handling and use of facilities.
- A vessels owner found to be in violation of these policies will be subject to immediate termination of their contract.
- No electrical cord may be left plugged in during winter storage and no electric heaters or open flames are allowed on OBMC's premises or facilities.
- It is the Owner's responsibility to check their boat, remove water, snow, or ice buildup. OBMC will not be responsible for any winter covers including shrink wrap put on a boat in outside storage. If requested by a work order, OBMC will check boats, remove water, etc.. on an hourly basis at Owner's expense.
- OBMC is not responsible for water damage to boats from faulty or lack of drain plugs. It is Owner's responsibility to remove and reinstall drain plugs. All work for pumping out a boat will be done T&M.
- Owner must keep the area around the boat clean or OBMC will do so at Owner's expense at its current hourly labor rate. Drop cloths must be used to protect the ground and collect loose debris if any sanding or scraping is to be done in the yard. Loose debris must be collected and properly disposed of outside the yard at your expense and obligation. All work is performed at Owner's risk.
- It is Owner's responsibility to have their holding tank pumped if not selected on this contract. All batteries must be removed from boat.
- It is prohibited to discharge any substance, including antifreeze, on OBMC's grounds. Discharge of propylene glycol (non-toxic anti-freeze) on the ground is a violation of the Clean Water Act, subject to notice of violation and fines up to \$20,000. This applies to boat owners as well as marina operators. All antifreeze must be captured, contained, and removed from the marina. No Antifreeze, including non-toxic, can be discharged on the ground.
- Owner must remove all flammable substances from the boat prior to storage in the yard.
- As part of Oyster Bay Marine Center's participation in the *Clean Marina Program*, no open air sanding or grinding is permitted. Scraping or sanding of a boat bottom is not permitted unless the ground below is covered with a tarp and the debris is collected and disposed of properly off site.
- All used oil, batteries, chemicals, and paints must be taken away from the marina and disposed of in a safe and legal manner. DO NOT place or leave these items in or next to our dumpsters. Please see Marina Management with any concerns regarding the above.
- The Marina must be notified in advance of work being done on any vessel that goes beyond seasonal maintenance. In the event, that the scope of the work will consume excessive yard provided resources (water, electricity, trash removal, space, etc.), the customer may be charged additional fees to cover costs associated with the work.
- Any trailers used for storing boats must be removed within 48 hours after launching. Boats not renting slips from Oyster Bay Marine Center will be given TWO DAYS after launching to vacate the dock space. Boats remaining after this time will be charged a transient dockage rate of \$5.00 per LOA foot, per night.
- All dock lines, fenders, batteries and bilge pumps must be on board and operative prior to launch. Sailboat tillers and wheels must be in place. The marina must have a lock combo or key location to allow bilge inspection when the vessel is launched.
- OBMC reserves the right to terminate this Agreement and withdraw services to Owner for any reason whatsoever and in such event OBMC shall not be liable for consequential damages to Owner or any other person or entity as a result of such termination. The limit of OBMC's liability in regard to terminating this Agreement shall be a refund of the unearned, prorated amount of any sum paid for storage or service not completely delivered.
- By signing this Agreement, Owner specifically authorized OBMC to charge their credit card for unpaid invoices that are not paid within ten (10) days of notification. Any charge refused to be recognized by the credit card company shall be subject to a 1.5% monthly service charge until paid in full. Owner authorizes OBMC to have a lien on the boat for the amount outstanding on unpaid charges.
- By signing this Agreement, Owner agrees to indemnify OBMC from and against any and all losses or liabilities (including reasonable attorney fees and expenses) imposed on or asserted against OBMC and arising out of the negligent or wrongful intentional conduct of Owner or its agents at the yard.
- OBMC may store Owner's boat at one of its three available locations near the waterfront in Oyster Bay and provide reasonable hours of access to the Owner.
- Owners with sailboats who elect to store their boats with mast in the boat shall hold OBMC harmless in the event of an accident. All sails shall be removed from the boat before it is hauled. If sails are not removed by hauling, OBMC may remove them and bill the Owner at the current hourly rate. Other conditions that OBMC may deem necessary to safely store the boat with the mast in may be taken by the yard and billed to the Owner. None of these modifications shall remove the responsibilities incurred by the Owner
- Pets are to be leashed AT ALL TIMES everywhere on marina property, and must NOT run loose on the DOCKS nor the grounds. Owners MUST clean up after their pet. We reserve the right to order a pet owner to remove the pet from the property at any time and for any reason, as well as banning any and all pets from the marina.13.Any trailer, with or without a boat or jet ski on it, stored on the property must be identifiable with owners name and will incur a seasonal storage charge. A signed trailer storage contract must be on file with the office.14.Oyster Bay Marine Center reserves the right to refuse to launch a vessel for any reason including, but not limited to, legal, safety, and/or environmental issues.
- Hourly Labor Rate (Effective 8/15/23) - Marine Mechanics & Riggers: \$165.00 per hour
